Committee Reports

Healthy lakes:

Wayne Swanson

Wayne covered several topics..

- **COLA:** Line 3 (Enbridge) will be voted on soon. There were a number of conferences on AIS. A study is being done to identify the genetic origin of Zebra Mussels. There will also be training on identifying AIS.
- **Minnesota Lakes & Rivers Advocates:**
This is a lobby in St. Paul. Special boat inspection procedures are being tested in Wright County. A report on the results will be published later.
- **Lake Report Summary and Recommendations**
This is the report we voted at the 2017 Annual Meeting to have done by RMB Environmental Laboratories. A couple of areas for Little Sand to note: One is second tier development. That is development not directly on the lake shore. This is not a problem for us at this time. Second is

Stormceptors. We must make sure that they are cleaned by the highway department. John Kisser and Wayne Swanson will look at them. Dan Kittilson has prepared a summary of this report as well, which MaJeana plans to share in an upcoming "State of the Lake" report.

- **State of Minnesota and Lake Emma Township**
The State provides the majority of the money for inspection. Some comes from Lake Emma Township. LSLAA also provides funds. The report of funding can be found on the Hubbard County website.
- **AIS/Zebra Mussel/Veligers Monitoring**
Through an "Eyes on the Water Program" we have sediment samplers scattered throughout the lake to check for Zebra Mussels. If you want one, they are available.
- **Shoreline Restoration/Possible Grants**
SWCD has grant money available for shoreline restoration. There is also a Score Your Shore questionnaire that you can use to evaluate your shoreline. Wayne is looking at it. There is a 4 to 5 page version available which may be helpful.
- **Lake Monitoring/Secchi Discs**
Based on latest Secchi Disc testing, this is the cleanest our lake has been.

Social

Phylis Trutna

Activities have been planned through September. The monthly calendar is on the website and will come out monthly by email. The Annual Picnic will be July 28, 2018. It will be a Pirate Party held at Catlins. All are welcome.

Membership

Maggi Yerkes

Maggi is looking for someone to replace her as chair. She outlined what she did. She also noted it is a good way to get to know others on the lake. We have been one of the top 5 lakes in the state for cleanliness due to our membership. *Post-meeting update: Amy Tronsgard has agreed to take over Membership Chair from Maggi. Thank you, Amy!*

Directory

Renee Bexell

The 2018 LSLAA Directory has been printed. Each member household is allowed one free copy; additional copies may be purchased for dues-paying members for \$5 each. The directory is also available on the LSLAA website

and is password protected. Karen Netland has been managing the online Directory and will take over the printed Directory as well. Thank you Karen.

Educational Material and Fishing Contest **Larry Bexell**

Larry passed out cards that provide information about AIS and have descriptions and photos of AIS species. Nancy Doda will take over the Kiosk at the Public Landing. Thank you Nancy.

Larry will coordinate the Fishing Contest this year August 4. He would like to have someone else take over after this year. Larry suggested perhaps LSLAA might want to “take a break” from sponsoring this event – especially if we do not find someone to coordinate it.

E-Mail Coordinator **Janet McMillen**

Janet is resigning the end of June as email coordinator. It is not a difficult job. Please contact her if interested. *Post-meeting update: We have a volunteer! As of this writing, we have not met with the individual. We will be updating members shortly with that information.*

Website: **Diane Smith/Karen Netland**

MaJeana shared that the website was updated with a new look and feel this past winter thanks to Diane and Karen. Take a look at our website.

Facebook:

We do have a Facebook page that is monitored by Randi Herda and MaJeana. This is a good place to add photos and get messages out to your neighbors.

New Business:

Directory:

Extra copies are available to members for \$5.00 each. (Non-member lake residents may purchase directories for \$15.00 each, but we would rather have you join the LSLAA.) We should treat them as such as we want our lake residents to want to be included in the Directory.
