Thank you for your contribution to the Little Sand Lake Association (LSLAA). LSLAA is committed to maintaining and protecting the quality of our lake as well as the other area lakes. No money, goods, or services were provided in exchange for your donation.

LSLAA is a 501(c) (3) non-profit charitable organization. Contributions to us are tax-deductible to the extent permitted by law. This receipt verifies the item (s) donated, but not their value. It is the responsibility of the taxpayer to assess their fair market value. LSLAA cannot provide this service to the donor. Please take care to establish an accurate value when you take your deduction. We appreciate your support, and we want you to receive the full value of your generous contribution. If you have questions about your charitable deduction, please consult your tax advisor or contact the Irs.

Thank you!
